Fifa 22 Features Key:

- The World is Your Stage – Feel the anticipation of the 60,000 fans at the biggest stadium in the world as you qualify for the World Cup final. Tear up the pitch on your own or dominate the opposition in the many multiplayer modes.
- A Simulatn Experience - No concessions to how FIFA developed with console hardware in the last generation, FIFA 22 was built with full PC, MAC, and Xbox One/Playstation 4 compatibility.
- New and Improved Physics – For the first time in franchise history, every player in FIFA 22 can be selected on both offense and defense, and stamina is restored when making a tackle to help them battle out possession through midfield. Make a high pass! Pull off a last-ditch tackle! Tackle to win!

FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.

GAME MODES

- Career Mode – Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.
